

COVID OPERATING PROCEDURES

We continue to offer our full range of tree services and are following all legislation regarding essential services and health practices.

To ensure the safety of our staff, customers, and the public, we are taking the following precautions:

- All customer interactions are being conducted in a contact-less manner, including digital invoicing and payments
- We work in small teams, allowing us to practice safe social distancing on most jobs
- All vehicles are equipped with hand sanitizer
- Workers wear gloves on jobsites

We take everyone's safety seriously, and as spring approaches and leads into summer, hope to provide you with tree services safely, keeping everyone healthy.

Regards,

All Season Tree Service Management
